

## *Life is an adventure!*

We wonder at God's creation. We will explore new ways to learn and grow and experience life together. Education lets us learn about a big God and marvel at our Creator!

## *Jesus Christ alone*

is the way, the truth, and the life. The only way to live a life that is pleasing to God is through a relationship with the Savior.

## *The Bible is God's instruction.*

We will map our lives by His plan. We will use God's word to light our path.

## *Each child represents a family*

we care about. As a ministry of Emmaus Baptist Church, Compass will actively work to meet the needs of the whole family, not just our students.

In addition to pursuing academic excellence through age-appropriate curriculum and the wisdom and dedication of experienced teachers, a Compass

will learn to work independently and as a team,  
to make a friend and be a friend,  
to give generously and receive graciously,  
to take direction and be a leader,  
to follow a dream and use the Bible for guidance.
