NEW FOR SUMMER 2010

Summer Sunday Night Connection

This Summer, Sunday nights will be much different than anything our church has ever done before. Our goal is to promote the importance of family, servanthood, fellowship, & worship. This summer, each Sunday night will have a different purpose.

We will be providing four churchwide service projects/neighborhood block parties, two Nights of Praise, churchwide fellowships at a Redhawks game & at Earlywine Park, along with two Family nights where no activities will be held at the church. This is just a glimpse of what our Summer Sunday Night Connections will look like. There will be more detailed information provided soon.
